### MUSIC LESSONS

PAA offers private lessons in electric, acoustic & bass guitar for beginning through advanced students, ages five to adult. Whether you're the lead guitarist for a rock band, a worship leader for your youth group, a bass player holding it down in a new garage band, or an aspiring professional wanting to explore Eddie Van Halen and Jimi Hendrix, our lessons can help you dream big and achieve your goals!

Our students are respected for having great technique and for performing at local churches, school talent shows and even the Grange Fair. Learn the best technique and music theory around, while developing your own musicality and sense of self-expression!
