

Makeup #3

All students level 3 and higher, including teen/adult classes

GIRL'S MAKEUP

- 1: Apply a dab of lotion to eyelid
- 2: Blend dark brown shadow from middle of eyelid to out and up to the crease
- 3: Blend light brown shadow from inside corner into dark brown (blend with a q-tip)
- 4: Line eyes with black eyeliner (brown if you're a redhead) on top and bottom. Don't connect corners.
- 5: *Optional: highlight upper half of lid up to brow with shiny white or cream shadow*
- 6: Dust off any shadow under eyes
- 7: *Optional: widen eyes by using a white pencil along ridge above bottom lashes and at inner/outer corners*
- 8: Apply foundation (base) a shade darker than your neck color, making sure to blend some onto your throat.
- 9: Dab on concealer where necessary & blend into foundation
- 10: Press powder into makeup using a sponge or puff.
- 11: Two coats of mascara
- 12: *Optional: define eyebrows with a pencil that matches your hair color*
- 13: Line lips with red or brown lip pencil. Apply flat lipstick in a warm red or red/brown shade.
- 14: *Optional: highlight center of lip with shimmer cream, gloss or white shadow*
- 15: *Optional: contour cheeks by applying brown tone near the center of your ear and blending toward base of nose*
- 16: Finish with red/brown rouge on the apples of your cheeks.
